### **OVERVIEW OF PAST MONTH**

1. We had 2 main break repairs this past month. One in the Silver Summit area (see photo) and one in the Canyons area (see photo)
2. Staff has been dealing with a lot of frozen pipe calls. Staff responds and works to get home back in water by using pipe thawing methods.
3. Treatment plant ceiling repairs are complete. Staff shut down the plant and did some maintenance afterwards. Cleaned out multiple basins with our vac trailer.
4. Staff has been busy with facility maintenance. Cleaning and painting well houses.
5. Lost Canyon staff has been cleaning pump stations and labeling pipes inside.

### **FOCUS FOR NEXT MONTH:**

1. Pump house maintenance and housekeeping.
2. Snow removal and hydrant clearing.
3. Continue with well facility maintenance
