In the event the balance in these operating cash and reserve accounts exceed one year of anticipated needs for cash operating expenses at the end of any calendar year, the Board shall evaluate the benefits of using a portion of these reserves for capital facility repair and replacement, equipment, the prepayment of debt, and/or the need for rate adjustments.

The appropriate State agency and bond trustee must be notified prior to expending these funds as required by the related supplemental indentures.

11.1 PURPOSE

- A. The District is committed to transparency and accountability in the utilization of customer water fees for District operations. In support of this commitment, the District has established a process that District customers, citizens of Summit County, employees and contractors should use to report a suspected fraudulent use of these monies.

11.2 DEFINITIONS

 - 1. That is undertaken in the performance of the employee's official duties, whether or not the action is within the scope of the employee's employment; and
 - 2. That is in violation of any federal, state, or local law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety or is a gross waste of public funds.

11.3 REPORTING FRAUD AND ABUSE

- A. Employees who become aware of improper governmental actions should raise the issue first with their Supervisor. If requested by the Supervisor, the employee shall submit a written report to the Supervisor using the Fraud Reporting Form found in Appendix B. Where the employee reasonably believes the improper governmental action involves his or her Supervisor, the employee shall raise the issue directly with the General Manager.
- B. In the case of an emergency, where the employee believes that damage to persons or property may result if action is not taken immediately, the employee may report the improper governmental action directly to the General Manager.
- C. The Supervisor or General Manager shall take prompt action to assist the District in properly investigating the report of improper governmental action. - D. District employees may report information about improper governmental action directly to the Administrative Control Board if the employee reasonably believes the improper governmental action involves the General Manager, or that an adequate investigation was not undertaken to determine whether an improper governmental action occurred, or that insufficient action has been taken to address the improper governmental action, or that for other reasons the improper governmental action is likely to recur.

Email: auditorhotline@summitcounty.org

Phone: (435) 336-3207

Writing: Summit County IRC – P.O. Box 128, Coalville, UT 84017

- D. This policy is intended to protect employees who choose to come forward in good faith with complaints about governmental actions and conduct of District employees. Anonymous complaints have the potential to subject the person who is the subject of the complaint to an investigation that may, at the least, cause stress and embarrassment, and may, at most, result in discipline or termination of employment. The District is reluctant to begin an investigation based on an anonymous complaint due to the fact that evidence will be difficult to obtain and verify, and it will be impossible to assess the complainant's credibility. Complainants and whistleblowers have protection from retaliation under District policy. A thorough investigation of complaints is the District's goal. It may not be possible to conduct a thorough investigation when a complainant remains anonymous. Therefore, the District reserves the right to decline to investigate any complaint that is provided anonymously.
- E. If a complaint is received anonymously it shall be directed to Summit County at the contact information listed above in paragraph C., for a recommendation on the processing of the complaint. Upon review of the complaint, Summit County will recommend to the General Manager either that the complaint has no merit or that it should be investigated. Such a recommendation will be made within ten (10) days of receipt of the complaint, if possible. Upon receipt of the General Manager's recommendation the Administrative Control Board shall make the final determination on whether or not to continue the investigation, end the investigation, or refer the matter to an outside entity.
- F. Within thirty (30) days after receipt of a complaint, the General Manager or another person appointed by the Administrative Control Board shall conduct a preliminary investigation. If the General Manager or a member of the Administrative Control Board are implicated in the complaint, the Summit County Auditor will determine an independent person who will conduct the investigation. Criminal allegations will be referred to the proper law enforcement agency.
- G. If the General Manager determines, after preliminary investigation, that there are no reasonable grounds to believe that a violation has occurred, the General Manager shall advise the Administrative Control Board to dismiss the complaint. If the Administrative Control Board does dismiss the complaint, it shall do so in writing, setting forth the facts and provisions of law upon which the dismissal is based, and shall provide a copy of the written dismissal to the complainant, to the person charged with the violation.

11.5 WHISTLEBLOWER PROTECTION

- A. Utah Code § 67-21-3 prohibits public employers from taking adverse action against their employees for reporting in good faith government waste or violations of law to the appropriate authorities. A public entity employee, public body employee, legislative employee, or judicial employee, is

PURPOSE AND SCOPE

Section 2.1. Purpose of Compliance Procedure.

(a) Issuer's Use of Tax-Exempt Bonds. The Issuer uses Tax-Exempt Bonds to fund Costs of a Project Facility. The Issuer understands that in exchange for the right to issue Tax-Exempt Bonds at favorable interest rates and terms, the Code and Regulations impose ongoing requirements related to the proceeds of the Tax-Exempt Bonds and the Project Facility financed by the Tax-Exempt Bonds. These requirements focus on the investment, use and expenditure of proceeds of the Tax-Exempt Bonds and related funds as well as restrictions on the use of the Project Facility.

(b) IRS Recommends Separate Written Procedures. The Issuer recognizes that the IRS has stated that all issuers of Tax-Exempt Bonds should have separate written procedures regarding ongoing compliance with the federal tax requirements for Tax-Exempt Bonds.

(c) Disclosure Responsibilities. The Issuer recognizes the issuance of Disclosure Bonds involves accessing the public capital markets and involves certain obligations arising out of the federal securities laws, including entering into the Continuing Disclosure Undertaking and properly communicating with investors.

(d) Issuer Commitment. The Issuer is committed to full compliance with the federal tax and securities law requirements applicable to its outstanding and future financings. This Compliance Procedure is adopted by the Governing Body to improve and promote tax and securities law compliance and documentation. This Compliance Procedure replaces any prior tax and securities law compliance procedures of the Issuer.

Section 2.2. Scope of Compliance Procedure; Conflicts. This Compliance Procedure applies to all Bonds currently outstanding and all Bonds issued in the future. If the provisions of this Compliance Procedure conflict with a Tax Compliance Agreement, Continuing Disclosure Undertaking or any other specific written instructions of Bond Counsel, the terms of the Tax Compliance Agreement, Continuing Disclosure Undertaking or specific written instructions of Bond Counsel will supersede and govern in lieu of this Compliance Procedure. Any exception to this Compliance Procedure required by Bond Counsel as part of a future issue of Tax-Exempt Bonds will be incorporated in the Tax Compliance Agreement for the future issue. Any requirements imposed on the Issuer in the Tax Compliance Agreement, will be noted by the Bond Compliance Officer and incorporated into the Annual Compliance Checklist.

Section 2.3. Amendments and Publication of Compliance Procedure. This Compliance Procedure may be amended from time-to-time by the Governing Body. Copies of this Compliance Procedure and any amendments will be included in the permanent records of the Issuer.

ARTICLE III

BOND COMPLIANCE OFFICER; TRAINING

Section 3.2. Training.

(a) Training Programs. When appropriate, the Bond Compliance Officer and/or other employees of the Issuer under the direction of the Bond Compliance Officer will attend training programs offered by the IRS or other industry professionals regarding Tax-Exempt Bonds that are relevant to the Issuer. When appropriate, the Bond Compliance Officer and/or other employees of the Issuer under the direction of the Bond Compliance Officer will attend training programs offered by the SEC, the MSRB, Bond Counsel, or other industry professionals regarding securities law and disclosure requirements applicable to the Issuer.

(b) Change in Bond Compliance Officer. Any time an individual acting as the Bond Compliance Officer passes the responsibilities for carrying out the provisions of this Compliance Procedure to another individual, the Issuer will ensure the incoming individual acting as Bond Compliance Officer is trained on how to implement the policies and procedures included in this Compliance Procedure to ensure the Issuer's continued compliance with the provisions of this Compliance Procedure and all Tax Compliance Agreements for any outstanding Tax-Exempt Bonds.

ARTICLE IV

Checklists and thereafter include each completed Annual Compliance Checklist in the Tax-Exempt Bond File.

Section 4.4. Correcting Prior Deficiencies in Compliance. ARTICLE V

COMPLIANCE PROCEDURE FOR NEW TAX-EXEMPT BOND ISSUES

Section 5.1. Application. This Article V applies to Tax-Exempt Bonds issued on or after the date of this Compliance Procedure.

Section 5.2. Prior to Issuance of Tax-Exempt Bonds.

(b) Directions to Bond Counsel. The Bond Compliance Officer will provide a copy of this Compliance Procedure to Bond Counsel with directions for Bond Counsel to structure the documentation and procedural steps taken prior to issuing the Tax-Exempt Bonds so that they conform to the requirements of this Compliance Procedure, except to the extent Bond Counsel determines that different procedures are required. The Bond Compliance Officer will consult with Bond Counsel so that appropriate provisions are made to fund or reimburse the Issuer's costs and expenses incurred to implement this Compliance Procedure.

(c) Tax Compliance Agreement. For each issuance of Tax-Exempt Bonds, a Tax Compliance Agreement will be signed by the Bond Compliance Officer. The Tax Compliance Agreement will (1) describe the Project Facility and the anticipated Financed Assets, (2) identify all Bond Restricted Funds and provide for arbitrage and rebate compliance, (3) for new money financings, require a Final Written Allocation, and (4) contain a form of the Annual Compliance Checklist for the Tax-Exempt Bonds. The Bond Compliance Officer will confer with Bond Counsel and the Issuer's counsel regarding the meaning and scope of each representation and covenant contained in the Tax Compliance Agreement.

(d) Preliminary Cost Allocations. For each issuance of Tax-Exempt Bonds, the Bond Compliance Officer in consultation with Bond Counsel, will prepare a preliminary cost allocation plan for the Project Facility. The preliminary cost allocation plan will identify the assets and expected costs for the Project Facility, and when necessary, will break-out the portions of Costs that are expected to be financed with proceeds of the Tax-Exempt Bonds (the "Financed Assets") and the portions, if any, expected to be financed from other sources.

(e) Tax Review with Bond Counsel. Prior to the sale of Tax-Exempt Bonds, the Bond Compliance Officer and Bond Counsel will review this Compliance Procedure together with the draft Tax Compliance Agreement to ensure that any tax compliance issues in the new financing are adequately

addressed by this Compliance Procedure and/or the Tax Compliance Agreement. If Bond Counsel determines that this Compliance Procedure conflicts with the Tax Compliance Agreement, or must be supplemented to account for special issues or requirements for the Tax-Exempt Bonds, the Bond Compliance Officer will ask Bond Counsel to include the written modifications or additions in the final Tax Compliance Agreement. The Bond Compliance Officer will request Bond Counsel to prepare a form of Annual Compliance Checklist for use in monitoring the ongoing compliance requirements for the Tax-Exempt Bonds.

Section 5.3. Accounting and Recordkeeping.

(a) Accounting for New Money Projects. The Bond Compliance Officer will be responsible for accounting for the investment and allocation of proceeds of the Tax-Exempt Bonds. The Bond Compliance Officer will establish separate accounts or subaccounts to record expenditures for Costs of the Project Facility. Where appropriate, the Bond Compliance Officer may use accounts established as part of the Issuer's financial records for this purpose. In recording Costs for the Project Facility, the Bond Compliance Officer will ensure that the accounting system will include the following information: (1) identity of person or business paid, along with any other available narrative description of the purpose for the payment, (2) date of payment, (3) amount paid, and (4) invoice number or other identifying reference.

(b) Accounting for Refunded Bonds and Related Refunded Bond Accounts. For Tax-Exempt Bonds that are issued to refund prior Tax-Exempt Bonds, the Tax Compliance Agreement will set out special accounting and allocation procedures for the proceeds of the financing, and if necessary proceeds of the refinanced Tax-Exempt Bonds.

(c) Tax-Exempt Bond File. The Bond Compliance Officer will be responsible for assembling and maintaining the Tax-Exempt Bond File.

Section 5.4. Final Allocation of Tax-Exempt Bond Proceeds.

(a) Preparation of Final Written Allocation; Timing. The Bond Compliance Officer is responsible for making a written allocation of proceeds of Tax-Exempt Bonds to expenditures and identifying the Financed Assets. This process will be memorialized in the Final Written Allocation. For a new money financing, the Bond Compliance Officer will commence this process as of the earliest of (1) the requisition of all Tax-Exempt Bond proceeds from any segregated Tax-Exempt Bond funded account, (2) the date the Project Facility has been substantially completed or (3) four and one-half years following the issue date of the Tax-Exempt Bonds. For Tax-Exempt Bonds issued only to refund a prior issue of Tax-Exempt Bonds, the Bond Compliance Officer will work with Bond Counsel to prepare and/or document the Final Written Allocation for the Project Facility financed by the refunded Tax-Exempt Bonds and include it in the Tax Compliance Agreement.

(b) Contents and Procedure. The Bond Compliance Officer will consult the Tax Compliance Agreement and, if necessary, contact Bond Counsel to seek advice regarding any special allocation of Tax-Exempt Bond proceeds and other money of the Issuer to the Costs of the Project Facility. If no special allocation is required or recommended, the Bond Compliance Officer will allocate Costs of the Project Facility to the proceeds of the Tax-Exempt Bonds in accordance with the Issuer's accounting records. Each Final Written Allocation will contain the following: (1) a reconciliation of the actual sources and uses to Costs of the Project Facility, (2) the percentage of the cost of the Project Facility financed with proceeds of the Tax-Exempt Bonds (sale proceeds plus any investment earnings on those sale proceeds), (3) the Project Facility's Placed in Service date, (4) the estimated economic useful life of the Project Facility, and (5) any special procedures to be followed in completing the Annual Compliance Checklist (e.g., limiting the Annual

Compliance Checklist to specific areas of the Project Facility that the Final Written Allocation or the Tax Compliance Agreement treats as having been financed by Tax-Exempt Bonds).

(c) Finalize Annual Compliance Checklist. As part of the preparation of the Final Written Allocation, the Bond Compliance Officer will update the draft Annual Compliance Checklist contained in the relevant Tax Compliance Agreement. The Bond Compliance Officer will include reminders for all subsequent arbitrage rebate computations required for the Tax-Exempt Bonds in the Annual Compliance Checklist.

(d) Review of Final Written Allocation and Annual Compliance Checklist. Each Final Written Allocation and Annual Compliance Checklist will be reviewed by legal counsel to the Issuer or Bond Counsel for sufficiency and compliance with the Tax Compliance Agreement and this Compliance Procedure. Following the completion of the review, the Bond Compliance Officer will execute the Final Written Allocation.

The Bond Compliance Officer will refer any responses indicating a violation of the terms of the Tax Compliance Agreement to legal counsel to the Issuer or Bond Counsel and, if recommended by counsel, will follow the procedure set out in **Section 4.4** hereof to remediate the non-compliance.

Section 6.2. Arbitrage and Rebate Compliance. The Bond Compliance Officer will monitor the investment of Bond Restricted Funds and provide investment records to the Rebate Analyst on a timely basis.
